

On Point Tax & Accounting, LLC Items to Provide for Tax Preparation

This list is a guide to assist in gathering your tax data. Not every item on the list will apply to your particular situation. Any documents you receive that say "Important Tax Document" should be included with your tax documentation.

Taxpayers who are eligible to claim the child tax credit, the earned income credit and the American Opportunity college credit or file as head of household will be required to provide additional documentation to support the due diligence required by the IRS.
